

BOOKING GROUP DINNERS AT IRISH PUB SLÁINTE FOR PARTY TRAVELERS

We can help guests find the right contact for planning a group meal at Sláinte, the Irish pub connected with our hostel on Warmoesstraat in Amsterdam. Contact us before making plans for a larger group so you can check current availability with the pub. What should a group confirm before dinner? Share your preferred date, arrival time, group size and any dietary requirements. Ask about kitchen hours, the available menu, seating arrangements and payment conditions. A hostel reservation does not automatically reserve a pub table or include a group meal. Are group menus or special prices guaranteed? No. Ask for the current arrangements and confirm any agreed price or menu directly with the pub before relying on it. See our Sláinte pub information, compare our rooms or contact us with your plans.
