

HOW TO WATCH SPORTS AT IRISH PUB SLAINTE AND ENJOY DISCOUNTS

Sláinte is the Irish pub connected with our hostel in central Amsterdam. If you want to watch sport during your stay, contact us or the pub team with the exact fixture you want to see and confirm the current screening arrangements. What should guests check before a match? Give the date, teams and competition, and check the kick-off time in Amsterdam. Ask whether the match is being shown, whether seating can be arranged, and what entry or spending conditions apply. A listed sport or an old programme is not a guarantee that every fixture will be screened. Do sports screenings include a food or drink discount? Do not assume that they do. Check any current hostel offer separately and confirm its conditions before ordering. See our Sláinte pub information, compare our rooms or contact us with your plans. [ytvideo]
