

HOW TO WATCH INTERNATIONAL RUGBY MATCHES AT IRISH PUB SLAINTE

Planning a rugby-focused stay with us in Amsterdam? Sláinte is close to your room, but please check your chosen international fixture with the pub before building your itinerary around a screening. How can guests confirm a rugby screening? Share the teams, competition, match date and expected kick-off time. Confirm the time in Amsterdam, whether the broadcast is available, and any seating or entry arrangements. For a group, ask ahead about available space. We cannot promise that every international match will be shown. Should guests reconfirm shortly before match day? Yes. Fixtures, broadcast availability and pub arrangements can change. Reconfirm your plans and leave enough time to arrive before the match. See our Sláinte pub information, compare our rooms or contact us with your plans. [ytvideo] Download this guide as a PDF
