

IRISH PUB SLÁINTE DRINK MENU FOR HOSTEL GUESTS

For the current drinks menu at Sláinte in Amsterdam, ask the pub team when you visit or contact us before your stay. The pub is connected with White Tulip on Warmoesstraat, making it a convenient stop near your room. What should guests ask about the menu? Check the available drinks, serving sizes and current prices before ordering. If you want a specific beer, whiskey or alcohol-free option, confirm availability instead of relying on an older menu or a menu from another pub with the same name. Ask staff directly about ingredients or dietary requirements. Are old happy-hour prices still valid? Offers and stock can change. Confirm the current times, eligible drinks and conditions with the pub team before ordering. See our Sláinte pub information, compare our rooms or contact us with your plans.
